HAPPY HOLIDAYS!

🦷 DECEMBER 2024 🦷

Season's Greetings!

This holiday season, we're filled with gratitude for you—our amazing patients. Your trust and support inspire us every day, and it's an honor to care for your smiles.

2024 has been an exciting year for advancements at our practice. We've introduced innovative treatment options such as laser therapy, whitening procedures, implant therapy, and much more to improve your care. Additionally, we're now offering the Velscope protocol for early oral health detection.

These enhancements reflect our commitment to providing you with the best possible care, and we're thrilled to continue this progress in the year ahead.

From all of us at Center Street Dental Professionals, we wish you a holiday season full of joy, warmth, and plenty to smile about. We can't wait to keep your smile healthy and bright in 2025!

Dental Health Tip

Holiday sweets are delicious, but don't forget to care for your teeth while indulging!

Drink plenty of water and brush carefully after enjoying sticky or sugary treats. For tough-to-reach areas, remember to floss daily!
